SUMMER OPPORTUNITIES

HIGHER EDUCATION TASTER WEEK* (16-19yrs)

MONDAY 5 AUGUST - FRIDAY 9 AUGUST
TUESDAY 27 AUGUST - FRIDAY 30 AUGUST

Delivered in partnership with some of the top performing arts training institutions in the country, the programme will give you the experience of a typical week on a performing arts degree course. In addition to receiving high-quality training, you will also get the chance to speak to visiting practitioners from some top institutions who will be able to provide advice and guidance on your future training and opportunities. If you are considering studying performing arts at degree-level, this will be a perfect opportunity to give you additional skills and experience.

AUDITION MASTERCLASS* (16-19ys)

FRIDAY 27 JULY

Planning on auditioning for further study in the performing arts? Join us for a full-day masterclass in audition technique for those wishing to train further in acting, dance or musical theatre. In the morning you will get the chance to build your skills in a group session. In the afternoon you will get to work one-to-one with a tutor who will help you to prepare your audition pieces.

CONFIDENCE BUILDING FOUNDATIONS COURSES

Each term we run free confidence building courses at The Garage. They are free 10-week courses, for an hour a week, after school. They are aimed at any 7-18 year olds, who would benefit from working in a small group, in a supportive environment. The courses are in either drama, music or dance, and use the arts as a tool to improve confidence and raise self-esteem.

For more info and bookings, please contact **Rachael Morrison**, Youth Arts Worker at The Garage; on 01603 283379 or rachael.morrison@thegarage.org.uk
